

Pictured above are two Year 8 Students, Kaysa Ropati and Bader Wilson-Harris

On Saturday 25<sup>th</sup> April the Student Councillors along with staff from Sir Douglas Bader School proudly attended the ANZAC remembrance parade at Mangere Bridge. They joined a procession of other schools and community groups from the local and wider community to walk in honour of those who have served their country in the First World War and all the wars since.

Bader Wilson-Harris, Year 8, had the privilege of being one of the flag bearers in the parade. The students marched from Mangere Bridge shops up to the Mangere War Memorial Hall where the commemoration service was held.

It was an honour and a privilege to give up part of our weekend in order to remember those who gave up so much more for us. Lest we forget!
